

Boy Scout Trash Bag Fundraising Program

Be sure to let your potential customers know that Keep America Clean & Green Trash Bags:

- Are 100% made in the USA by WasteZero®, which helps our economy
- Are made with at least 50% recycled material, which is great for the environment
- Have a convenient drawstring closure, preferred by 3 out of 4 American consumers
- Return more than 70 cents of every dollar sold to the Boy Scouts, helping to pay for things like:
 - Summer Camps
 - Clean-Up Campaigns
 - Other Scout Programs & Activities
 - Jamboree

Use this handy table to help customers decide how many bags they need.
